AXSMarine S.A.S. is committed to protecting your privacy, and takes its responsibilities regarding the security of Client information very seriously. In this Privacy Policy, References such as “we”, “us”, “our”, “ours” means the Data Controller. References to “you”, “your”, “yours” means any person submitting any data to us, to our Website, Product(s), Module(s), Service(s), App(s) about himself or herself or about any other individual in respect of any use of the Product(s), Module(s), Service(s) available or use of Mobile Application(s) (“App(s)”). When you use different aspects of the Product(s), Module(s), Service(s), App(s), we may ask you to supply us with various information about you or anyone whom you represent. This Privacy Policy sets out the way in which we may use such information. This Privacy Policy (together with our “**General Terms & Conditions**”) sets out the basis on which we will process any personal data we collect from you, or that you provide to us.

Your privacy is very important to us. We shall therefore only use your name and other information which relates to you in the manner set out in this Privacy Policy. We will only use your personal data in a way that is fair to you. We will only collect information where it is necessary for us to do so and we will only collect information if it is relevant to our dealings with you.

WHY WE COLLECT YOUR PERSONAL DATA

We use your data in order to manage the Website, Product(s), Module(s), Service(s), App(s), detect fraud or Website or Product(s), Module(s), Service(s), App(s) abuses and send you relevant information. We also need your email address and other contact details, in particular, for sending you information relating to the services we offer. This includes (without limitation) the following:

To respond to you over any queries you raise with us.

To collect details of your visits to the Website, Product(s), Module(s), Service(s) App(s), including but not limited to, traffic data, location data and other communication data, whether this is required for our own purposes or otherwise and the resources that you access.

To provide you with information which we feel may interest you.

We also need to use your contact details and other information for any aspect of the Website, Product(s), Module(s), Service(s) App(s), including, but without limitation, providing customer support, preventing or investigating prohibited activity, enforcing the “AXSMarine General Terms & Conditions”, the relevant “**Mobile Terms of Use**”, and verifying information. You acknowledge that we have no obligations to monitor your access to or use of the Website, Product(s), Module(s), Service(s), App(s), but that we have the right to do so for the purposes set out in this Privacy Policy.

We may use the information collected for the purpose of sending you emails with or about other information about us as well as to properly make available to you the Website, Product(s), Module(s), Service(s), App(s), to allow you to access any information or services that we may provide, in case we have any queries and for our record keeping.

The Website Product(s), Module(s), Service(s), App(s), may, from time to time, contain links to and from the websites or mobile applications of suppliers, partner networks, advertisers and affiliates. Please note that those websites may also use cookies and that we do not accept any responsibility or liability for their use of cookies. Please check those websites and mobile applications and their privacy policies before using them.

MODE AND PLACE OF PROCESSING THE DATA

Methods of processing

The Data Controller processes the Data of Users in a proper manner and shall take appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data. The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Data Controller, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of the Website, Product(s), Module(s), Service(s), App(s) (administration, sales, marketing, legal, system administration) or external parties (such as third party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. Where we have given you (or where you have chosen) a password, you are responsible for keeping this password confidential. We ask you not to share a password with anyone.

Place

The Data is processed at the Data Controller's operating offices and in any other places where the parties involved with the processing are located. For further information, please contact the Data Controller.

Retention time

The Data is kept for the time necessary to provide the service requested by the User, or stated by the purposes outlined in this document, and the User can always request that the Data Controller suspend or remove the data.

THE USE OF THE COLLECTED DATA

The Data concerning the User is collected to allow the Owner to provide its services, as well as for the following purposes: Analytics, Location-based interactions and Registration and authentication.

The Personal Data used for each purpose is outlined in the specific sections of this document.

YOUR OBLIGATIONS AS TO YOUR DATA

You must only submit to us, the Website, Product(s), Module(s), Service(s), App(s) or the related services, information that is accurate and not misleading and you must keep it up-to-date and inform us of changes by email to support@axsmarine.com. By submitting data in respect of you and anyone else, you must ensure that you have full authority and consent to supply us with that data on their behalf and you warrant to us that you have that authority.

DETAILED INFORMATION ON THE PROCESSING OF PERSONAL DATA

Personal Data is collected for the following purposes and using the following services: analytics, location-based interactions, registration and authentication. We may exchange information with third parties for the purposes of fraud protection. We may transfer your data to other companies in our group. We may transfer our databases containing your personal information if we sell, or discuss the sale of, our business or part of it to an actual or potential purchaser.

ADDITIONAL INFORMATION ABOUT DATA COLLECTION AND PROCESSING

Legal action

The User's Personal Data may be used for legal purposes by the Data Controller, in Court or in the stages leading to possible legal action arising from improper use of Website, Product(s), Module(s), Service(s), App(s) or the related services. The User declares to be aware that the Data Controller may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, our Website, Product(s), Module(s), Service(s), App(s) may provide the User with additional and contextual information concerning particular services or the collection and processing of Personal Data.

System logs and maintenance

For operation and maintenance purposes, our Website, Product(s), Module(s), Service(s), App(s) may collect files that record interaction with our Website, Product(s), Module(s), Service(s), App(s) (System logs) or use for this purpose other Personal Data (such as IP Address).

The rights of Users

Users have the right, at any time, to know whether their Personal Data has been stored and can consult the Data Controller to learn about their contents and origin, to verify their accuracy or to ask for them to be supplemented, cancelled, updated or corrected, or for their transformation into anonymous format or to block any data held in violation of the law, as well as to oppose their treatment for any and all legitimate reasons. Requests should be sent to the Data Controller at the contact information set out above.

Our Website, Product(s), Module(s), Service(s), App(s) do not support "Do Not Track" requests.

To determine whether any of the third party services it uses honors the "Do Not Track" requests, please read their privacy policies. The Website, Product(s), Module(s), Service(s), App(s) may, from time to time, contain links to the websites or mobile applications of suppliers, partners or others. If you follow a link to any of those websites or mobile applications, please note that those websites and mobile applications have their own privacy policies and that we do not accept any responsibility or liability for those policies

Consent

By submitting data to us, using the Website or downloading, installing, accessing or using an App, you consent to our use of your data and of anyone you represent (including, but not limited to, data relating to your then current location) in the manner set out in this Privacy Policy (as amended from time to time, as described above) and you are responsible for ensuring that you have authority to consent on behalf of anyone about whom you submit data to us. In using the Website, Product(s), Module(s), Service(s), App(s), you also consent to us placing cookies on your hard drive or mobile device. You may turn these off through the settings on your browser. Please note that cookies by which you can be personally identified might be stored on your hard drive.

Changes to this privacy policy

The Data Controller reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom. If a User objects to any of the changes to the Policy, the User must cease using our Website, Product(s), Module(s), Service(s), App(s), and can request that the Data Controller remove the Personal Data. Unless stated otherwise, the then-current privacy policy applies to all Personal Data the Data Controller has about Users.
